Important notes:

1. This permit is required for all work within the public Right of Way and/or public utility easement that contain City of Grandview utilities.
2. Permit application must be submitted at least five (5) days prior to the date applicant seeks to close or block any part of a roadway.
3. Application must include a standard barricading layout showing placement of barricades, cones, and informational signs used on project.
4. Application may require site plans, at the determination of the City, dependent on the complexity of the project.
5. The City of Grandview Public Works is a part of Texas811 (dial 811). It is the responsibility of the contractor to obtain and verify locates have been completed prior to excavation and to have them remarked should the markings fade or disappear.
6. For further information regarding requirements of Right of Way Permitting please review City of Grandview Code of Ordinances § 46.31-46.33.
